Dear Gabriel,

This letter is to notify you of the resolution of a complaint filed by MIT Facilities regarding the night of July 4th, 2019. According to the report, the facilities employee noticed people on the roof of Kappa Sigma with alcohol the night of the Fourth of July. Based on this information, Kappa Sigma may have violated the following policies:

FSILG Social Events Policy

Social Events with Alcohol

3. Roof decks may not be used for this type of social event.

IFC Risk Management Policy

II. Admittance

- G. All events must be limited to the safe capacity of the event location as described in the FSILG Social Event Policy. An accurate account must be kept as to the number of guests currently in an event; the IFC Risk Manager will provide capacity “clickers” upon request. An accurate count of the number of individuals inside the chapter's house must be presented to IFC Risk Management Consultants his/her inspection.

MIT Mind and Hand Book

II (2). A – Alcohol Policy (*full text of policy can be found [here](#)*)

Other alcohol-related behaviors prohibited by MIT include but are not limited to: [...] possession of open containers of alcohol in public spaces [...].

After reviewing your response, I have decided to resolve this case administratively. Based on the totality of the information available to me, I have found Kappa Sigma not responsible for violating any of the stated policies. It would probably be advisable for future Fourth of Julys to notify the FSILG Office if there is going to be an effort to watch the roof so the necessary parties may be aware in the future.

Sincerely,
