IFC Meeting Minutes

October 14, 2009

I. Presidential Report

David Hutchings (djhutch)

- SafeRide
 - The routes have changed recently because of the noise complaints.
 - City Ordinance prohibits commercial vehicles from operating East of Mass. Ave after 10 pm.
 - 1. MIT has been granted a special exception for the Hereford St. stop (in front of Chi Phi).
 - Boston West has been running late on this new route.
 - 1. Therefore, they are testing a new route this week.
 - 2. The route will start at Hereford, work its way west to ZBT, then head back over the BU bridge.
 - 3. If this route proves successful, the stops at Next House and Simmons will be reinstated.
 - The GPS timer is also a bit off, but the nextbus map is correct.
 - Saferide has also purchased new buses.
 - 1. For smaller routes (such as Boston West), they're going to be replacing 14 passenger buses with 25 passenger buses.
- Dinner with Dean Colombo
 - It will probably be the second week of December.
 - 1. Most likely Wednesday, Dec 2nd
 - The dinner will be for both incoming and outgoing Presidents.

II. Vice-Presidential Report

Russell Rodewald (rodewald)

- Delegate's Council
 - Next week will be looking at Risk Management.
 - A more thorough email will be sent out this weekend.

III. Judicial Committee Report

Thomas Lipoma (tlipoma)

- Rush fine deadlines are well overdue.
- If fines aren't in by Friday, hearings will begin.
 - Hearing will determine responsibility for paying the fine. JudComm has no authority to determine the validity of the fines.

IV. Risk Management Report

Ryan Andrews (randrews)

- PartySafe
 - Just a reminder, the dates are Oct. 14th, Oct. 15th, Nov. 5th, Nov 12th, and Nov 19th.
 - Most dates are full, and it is unlikely that any more times will be opened up.

V. Recruitment Report

David Stein (stein)

- Upcoming Rush Rules Meeting
 - Who will be in attendance depends on outcome of tonight's Constitutional Amendments.
- David Stein still wants to have anonymous meetings with Rush Chairs.
 - The IFC wants honest information about actual rush practices (wet rush, early bids, etc.)
 - This will help make rush better in the future.

VIII. IFC Advisor Report

Marlena Martinez (marlenam)

- Anti-Hazing Forms
 - Must be turned in by Friday or MIT will cease recognition of your organization.

IX. Discussions

- None.

X. Motions and Votes

- Motion to vote on changes to the Constitution proposed last meeting.
 - The amendment was passed unanimously.
- Motion to suspend the bylaws.
 - Reasoning: Outgoing IFC Exec wishes to change the duties of existing officers. However, this amendment to the Constitution would not take effect until the day of election. That is, the nature of the positions would change on the day of elections, which doesn't really make sense. Suspending the bylaws would allow us to vote on the changes now.
 - The bylaws were suspended by a unanimous vote.
- Motion to amend the Constitution to change the names and responsibilities of the IFC executive board.
 - The amendment passed with a 2/3 super-majority.
- Motion to amend the Risk Management Policy to change the definition of "event".
 - The amendment passed with a 2/3 super-majority.
